

5 December 2011

Dear Parent/Carer

RE: 'Keeping your child safe' parenting session.

Our Safer School's Officer, PC Wayne Hopkins, is facilitating the above session for parents on Monday 12th December 2011 between 5.30pm – 6.30pm at Drapers' Academy.

It can be a worrying time for parents trying to keep their child safe within this fast paced age of technology. PC Hopkins will be discussing topics which include safety on the internet and facebook, the use of images on mobile phones and suggestions for you as their guardians on how to advise and guide young people to ensure their personal safety when going out.

We have included a flyer which includes all the information. If you would like to attend, please complete the slip below and ask your child to return it to their form tutor.

Yours sincerely

Mrs Sue Monk
Vice Principal
