22 November 2011

Dear Parent or Carer

As I am sure you are aware, Drapers' Academy's Sixth Form Centre is due to open in September 2012.

Our Sponsors, The Drapers' Company and Queen Mary, University London have taken great interest in this development.

In the first year of the Sixth Form it is essential that the curriculum matches the strengths of our teachers, and as such our first cohort will be entirely based on A' levels.

The A' levels we are likely to offer, may include;

- Art
- History
- Business Studies
- Geography
- Chemistry
- PE
- Physics
- Drama
- Maths
- Graphics
- English
- ICT
- Biology

The basic entry qualifications will be a minimum of 5 GCSE's at C or above, including English and Maths. In addition a minimum B grade will be required to study a subject that a pupil has already studied.

We will not be offering any other level of courses, such as BTEC's in the Sixth Form.

Pupils who do not meet the entry requirement, or wish to follow a different path, will still have priority transfer arrangements, when applying for Havering College. Havering College will be holding an information evening for interested families from 7:00pm – 8:00pm on Thursday 8 December, in our school hall.

This will provide you with essential information on the application process, prior to the college's application deadline of 3 February 2012.

Should you have any questions or queries, they should be directed to Ms Majmudar (Pathways & Partnership Co-ordinator) or from January 2012, Miss Armstrong (Head of Sixth Form).

Yours sincerely

A handwritten signature in black ink, appearing to read 'mslater', written in a cursive style.

Matthew Slater
