

21 May 2018

Dear Parent/Carer

I would like to inform you our annual Sports Day will take place on Thursday 5 July 2018.

Unfortunately, due to a number of issues this will now be a closed event. One of these issues is due to increasing pupil numbers the event will be too difficult to manage and supervise effectively with guests on site. We had a number of visitors last year who were not connected directly to competitors and due to safeguarding issues the decision has been taken to make this an internal event only.

I have no doubt that pupils will enjoy the day and all other arrangements will continue as before.

I am grateful for your support and understanding in this matter.

Yours sincerely

Darren Luckhurst

Principal
