

25th November 2020

Dear Parents / Carers

Update on Coronavirus Cases

Today, we had notification of a positive case in Year 10.

Following government guidelines, we have communicated with all close contacts. They have been sent home to self-isolate for 14 days from the date of their contact.

Thank you for your support in reminding your children to maintain social distancing at all times (including to and from school), sanitising their hands regularly and wearing a mask, as required.

As previously stated, I will continue to keep you informed of any further cases and please stay safe.

Yours faithfully

D Luckhurst
Principal
Drapers' Academy
